Pendant Mount Model PMK12W

CANOPY KITS INCLUDE

- 1- 12" White stem threaded at both ends (only one size supplied per kit) - For different lengths contact factory.
- 2 - Flat washers
- 2 - Hex nuts

Notes:

- Pipe diameter may vary depending on which product it is to be used with. Consult Factory
- To use with CEW and ATC Series exit signs, simply replace the threaded nipple supplied with the sign with the longer stem. Other applications may require the addition of a junction box (not supplied) at the lower end of the pendant.
- In weatherproof applications it is the responsibility of the installer to insure that all connections are watertight.
